THE AMAZING RACE RESULTS

1. Were some principles of democracy highlighted more than others in this activity? Which ones? How do you explain this?

2. Are there some events and principles that are more prominent in the evolution of democracy? If so, which ones?

3. We think it's important that students have some depth of understanding about the development of democracy in their partner nations. This lesson was designed as a springboard for doing this. Does this strategy get us there? How would you adapt it?
